

PROJECT PROFILE

Title

All India Coordinated project on Bamboo (AICRP-2) Component-5. Genetic Resource Characterization, phylogenetic analysis and botanical studies on bamboo.

Principal Investigator

Dr. R. Yasodha Scientist-G

Co Investigator

Dr. A. Shanthi, Scientist-E

Duration

Five years (2019--2024)

Objectives

Population Genetic Analysis of important bamboo species (*Dendrocalamus strictus*, *Ochlandra travancorica*, *Bambusa bambos*, *Dendrocalamus stocksii*, *Dendrocalamus brandisii*).

Funding Agency

CAMPA

Total Budget

Rs. 77.84 lakhs.
